Order Joni's Fresh Roasted Coffee & Amazing Tasting Granola by the Pound For Twenty Years...

In this very spot, here in Marina del Rey, we have been roasting our own coffee right here in the restaurant. Using only the finest beans possible, collected from boutique farms all over the world, and then blending our custom batches! This is how we did it 20 years ago and this is how we still do it today, each and everyday the same old-fashioned way!

Unlike fine wine and Joni, coffee does not age well. We ship you the freshest and best coffee possible on the face of the earth period.
